

KOehler ECO® PAPER

Koehler Eco® Paper is particularly suitable for sophisticated processing and finishing. The papers are produced carbon free and have an increased light fastness, are resistant to bleeding, color migration and have an increased resistance to abrasion. Due to the production from 100 % secondary fibers and the eco-label „Blue Angel“, the papers are the green alternative in the sector of high-quality packaging.

Applications:	high-quality packaging and bags, brochure and book covers, decoration, menus, promotion material, paper for creative design, fancy cards, calendars, art-prints, hobby paper, business cards etc.
Advantages:	<ul style="list-style-type: none"> ■ natural look and feel of natural paper ■ marked with the eco-label „Blue Angel“ ■ harmless to health and environment ■ resistant to abrasion ■ resistant to bleeding ■ carbon free
